REHABILITATION OF OFFENDERS ACT 1974

If you are invited for interview, you will be asked to disclose, prior to interview, whether you have any unspent conditional cautions under the Rehabilitation of Offenders Act 1974 and whether you have any adult cautions (simple or conditional) or spent convictions that are not protected as defined by the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment) (England and Wales) Order 2020.

The amendments to the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020) provide that when applying for certain jobs and activities, certain convictions and cautions are considered as 'protected'. This means that they do not need to be disclosed to employers and, if they are disclosed, employers can not take them into account.

Guidance about whether a conviction or caution should be disclosed can be found on the Ministry of Justice website. You may also wish to contact the charities Nacro or Unlock for impartial advice.

Nacro - <https://www.nacro.org.uk/criminal-record-support-service> or email helpline@nacro.org.uk or call 0300 123 1999

Unlock - <http://hub.unlock.org.uk/contact> or call 01634 247350

A new Enhanced Level Disclosure and Barring Service (DBS) check of criminal records will normally be required for this post. Access to the application process will be provided. Subscription to the DBS Update Service may be a condition of employment.

Other standard checks before your employment commences may include, as relevant, accessing lists of 'Teachers and Others' prohibited from the profession; Secretary of State directions; Induction and Probation Failures; and sanctions imposed by teacher regulation authorities overseas.

INFORMATION TO SUPPORT YOUR APPLICATION

Please read the job description carefully, then explain how your knowledge, skills and experience relate to the post for which you are applying. This is your opportunity to tell us about yourself and why you are applying for this post. Take care to explain what you have done in your present and previous jobs, or outside work and how it is relevant to this post. You may attach extra sheets if necessary.

GUIDANCE NOTES

You are advised to read the following notes carefully as, unless other selection techniques are used, the decision to shortlist you for interview will be based solely on the information you provide in the application form. This advice is designed to help you complete the application form as thoroughly as possible.

When completed, read through your application form, checking for errors or gaps. Check the closing date and make sure your application is sent in plenty of time because late applications will only be considered in exceptional circumstances. The forms should be returned to the address on the advertisement/Application Form.

How will you know what we are looking for?

The job advertisement describes the skills, experience and qualification we are looking for, and this forms the basis against which you will be assessed. The job description will be enclosed with your application form, to show the main duties, responsibilities and personal attributes of the post. You should read them carefully and try to identify the key words and phrases.

Do you have what we are looking for?

From the information in the advertisement and job description work out if you have the skills, knowledge and experience we are seeking. If not, show how you have used them in the past. Do not forget that skills can be transferable. The tasks you perform may not be the same as those in the job you are applying for, but the skills you use to carry out those tasks may be the same.

Remember that the skills and experiences you have gained outside paid work, for example, from domestic responsibilities, unpaid or voluntary work or organising social or community activities can demonstrate skills you have taken for granted which could be a clear sign of your ability to do a job.

Immigration, Asylum and Nationality Act 2006

The successful applicant will be required to provide one original document, which proves their entitlement to work in the UK, e.g. P45 or P60 before an offer of appointment is made. A full list of suitable documents for this purpose will be issued to every successful applicant.

Data Protection

Earlscliffe is collecting data in order to process your application under its Recruitment Policy and will use it for any subsequent employment purposes.

On occasions, Earlscliffe will have to contact third parties to verify information you have provided and other facts relating to you and your application, for example references.

Should you be unsuccessful with your application, Earlscliffe will destroy your application form after six months of its submission.

Recruitment Monitoring

Earlscliffe is committed to promoting equality, inclusiveness and social justice for all its citizens and staff. We will work positively to achieve this by challenging all forms of discrimination, exclusion and injustice.

Earlscliffe values the rich social and cultural diversity of the local communities and its' students. We will make sure that our workforce and our services reflect that diversity and community needs.

Information

Information you provide in the application form will be treated as confidential.

Completion of the Form

The form should be filled in as completely and clearly as possible, in black ink or typed (where applicable). If you have a disability that prevents you from completing the form, you may have someone complete the form on your behalf.

References

We need a reference from your present or most recent employer. If you have never been employed or have been out of paid work for a long time, you should give the name of a responsible person who knows you well but is not a relative.

Referees will be sent a copy of the job description.

Education and Training

The 'Qualifications' section gives you an opportunity to list any examinations or certificates you have gained or are currently taken. For some jobs, qualifications are essential, but not all jobs require formal qualifications – the advertisement and job description should tell you whether qualifications are required. Original certificates will be checked upon appointment.

Employment History

Please provide full details of your current (or last) employment and highlight any achievements in this post. Where the information relates to your previous employment, please provide your reasons for leaving. Please provide a continuous record of all your experience, paid, or unpaid, including, for example voluntary work, positions of responsibility or any other experience you consider relevant. If not full-time, indicate the hours worked per week. Please explain any break in your work experience.

Information to Support your Application

This section is probably the most difficult part of the Application Form to complete, however, it is very important. This is where you match your skills, knowledge, experience and personal qualities to the job description and advert.

Ask yourself why you are interested in the position, for example would it be promotion or alternatively a good career move sideways to broaden your experience? Do not simply repeat your career history. Pick out skills, knowledge and experience required by the job description and provide evidence that you possess them.
